

International Dental Ministries-Peru Project

Sharing the love of Christ by meeting dental needs.

JUNE 2012

Team from the first week.

ATEK

ATEK is the Christian Peruvian organization that IDM partners with in Peru. The staff of ATEK works tirelessly to serve the Quechua communities. ATEK works in rural Quechua speaking churches with the goal of strengthening the family and the church. They accomplish this by providing training for pastors, literacy classes, marriage seminars, publications and videos in the Quechua language, and children's ministries to name a few. **Please pray for ATEK as they shine the light of the gospel to the Quechua world.**

ATEK is funded primarily by partners in North America. If you would like more information on becoming part of ATEK's financial team please contact IDM.

Dear Friends,

Words cannot begin to describe our most recent trip to Peru. I wish each of you were able to see firsthand the work that God is doing among the Quechua people in southern Peru through the work of ATEK.

This year IDM was able to take two teams for one week each. The first team lead by Dr. Kevin Biederman worked in two communities that had never had a dental clinic. The team was able to fix many teeth and 60 people accepted Christ as a result of the evangelism done during the clinic!

The second team led by Dr. Amy Hauschildt, returned to areas that IDM has worked in before. It was encouraging to renew relationships with the churches and to see the progress being made in the oral health in the communities. Over 50 people accepted Christ during the week!

Thank you for your prayers during our trip. We again were privileged to see the Lord answer many specific prayers. During the second week, we had some very scary driving experiences and were blessed to know that many were praying for our safety as we traveled the mountain roads. It was also incredible to see one of the members of our team accept Christ as a result of the bad driving! **Please pray for this new sister in Christ, that she would continue to grow in her walk with God. Pray also for the new Christians in the villages, that they would grow and be strengthened in their faith.**

The team from the second week on a scary mountain road.

Ps. 105: 4a-5

“Seek the Lord and his strength.

Remember the wondrous works that He has done.”
