

## International Dental Ministries, Peru 2013

7900 E. GREENLAKE DR. N. SUITE 300 SEATTLE, WA 98103 [www.idmserve.org](http://www.idmserve.org)

Dear Friends,

As we prepared for our trip to Peru this year, this prayer was in our hearts: *"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen."* (Ephesians 2:20-21)

*Before we left, we had several specific prayer requests:*

- 1. Team unity*
- 2. Good health and safety*
- 3. Patients would see Jesus in us*

*God answered each of these prayers exceedingly. In both weeks, the teams, many who had never met before, worked so well together. We were able to accomplish a great deal of work due to everyone pitching in and helping out wherever needed. It is very humbling to work with such servants.*

*God also answered prayers for health and safety. Each of the cars ran well with no mechanical problems and we had wonderful, safe drivers! On the second week, a car got a severely flat tire, just as we were pulling back into Cusco from the village! We are so thankful this did not happen even 10 minutes earlier. Everyone stayed in very good health with no stomach bugs and very little effect from altitude!*

*We also saw God work in patients lives. Over 30 people accepted Christ during the two weeks! We were also able to work with 4 different churches and our presence was a great encouragement to the local Christians. We also pulled, fixed and cleaned hundreds of teeth! ☺*

*Every year I am amazed to see God put all the pieces together for the trip. We were all encouraged by the continued work of ATEK (our Peruvian partner) in Peru. God is transforming the Quechua world through their work. We are excited to continue working with ATEK in years to come.*

Thank you so much for all your support and prayers for IDM and the most recent trip. We could not do it without you!

Sincerely,

Amy Hauschildt  
Vice-President, IDM
